## Li Jin

Li Jin has the confidence to portray persons and things simply, so that their significance, beauty and worth speak for themselves.

Replete with humor and his unmistakable "joie de vivre" Li Jin translates the usually mundane quotidian of life into a colorful and eloquent narrative of the moment using the tools of tradition. As an artist his perception of beauty and detail blossom from his appreciation as an active observer and partaker in life. Whether it be a table abounding with epicurean delights, a moment of quiet contemplation, or the enticing passions of love his graceful and masterly brushstrokes tell stories that are common to all, for they are the simple pleasures of life.

A master of Chinese ink painting Li Jin's paintings are part of collections including the Hong Kong Museum of Art, the Minneapolis Institute of Arts, the Museum of Fine Arts Boston and the Seattle Art Museum.
